

Sustainability, Environmental and Social Responsibility Policy

Eaton Manor is committed to working in a sustainable way; therefore, we undertake the following actions to achieve this. We hope you, our guests, will join us in adhering to these actions.

- We comply with the requirements of environmental legislation and approved codes of practice.
- We continuously seek to improve our environmental and social performance.
- We reduce pollution, emissions and waste.
- We reduce the use of energy, water and other resources.
- We recycle or re-use materials as much as possible to reduce waste.
- We raise awareness, encourage participation and train employees in sustainable business practices.
- We expect similar environmental standards from all suppliers and contractors.
- We encourage guests to use products and services in an environmentally sensitive way.
- We liaise with the local community.
- We have minimised our risks associated with social and environmental issues.
- We have joined the Green Tourism Business Scheme as an indicator of our sustainable practices.

We would like to ask you to help us in achieving our goals and if you have any suggestions about improvements we could make, we would love to hear them. Please email us at info@eatonmanor.co.uk with your ideas.

Enjoy your stay at Eaton,

Best wishes
